ABOUT ME

I'm a 28 years old Fullstack developer from Bangladesh based in Dhaka. I love everything that has to do with design & development, Project management, Testing . I feel a true devotion for coding. I have 5 years of experience working with web development and have worked in different areas of Design and development. Started my career as a Adobe Flash Developer , but WordPress is my passion now. I work slow and steady, and give my best in every work I do.
